

SOS

According to Webster's dictionary, *SOS* is "the standard signal of distress used internationally." It is also used as "any call or appeal for help," and as such it has been used by several organizations in their various endeavors.

HOWEVER, for us here at The Gospel Hour, *SOS* stands for *Supporters of Soul-winning*. If you are not already a part of this effort, we invite you to join us in declaring the Good News that Jesus saves. Each month through your gift you will be helping to reach the lost with the Gospel of Jesus Christ through our nationwide radio ministry and distribution of Gospel literature; and you will receive materials to help you in your personal witnessing ministry. Furthermore, each member receives the quarterly edition of the *reprinted version* of the original *Gospel Hour News* that is sure to both inform and inspire you.

SOS

The acronym "S. O. S." was not chosen lightly for it is, of course, the international distress signal. This old world has never been in more distress or turmoil than it is today, and our primary task as Christians is to let the lost know about Christ. If you are a Christian you should be a Supporter of Soul-Winning in your daily life and I hope you will want to join us in our organized effort at The Gospel Hour.
