### —The Gospel Hour Statement of Faith—

#### WE BELIEVE IN:

- The Bible as the God-breathed, fully inspired and forever settled Word of God, both the Old and New Testaments.
- The Bible account of Creation.
- One God, existing in three Persons: Father, Son, and Holy Spirit.
- The deity, virgin birth, and sinlessness of Jesus Christ, God in flesh.
- The substitutionary death of Jesus Christ on the cross for the sins of mankind, and His bodily resurrection and ascension.
- Salvation by grace through faith in the shed blood of Jesus Christ, the one and only Saviour of the world.
- The Person and work of the Holy Spirit convicting of sin, drawing and regenerating sinners, indwelling believers.
- Water baptism by immersion—not as a means of salvation, but signifying the death, burial, and resurrection of Christ and the believer's identification with Him.
- Jesus as the Head of the one true Church, the body of Christ, made up of all who are born again through faith in Christ.
- The complete independence of the local church, an assembly of baptized believers.
- The literal, visible, personal, premillennial, pre-tribulational return of Jesus Christ to take believers out of the world.
- The literal, bodily resurrection of the righteous dead at His coming.
- The everlasting, conscious blessedness of the saved and the everlasting, conscious punishment of the unsaved.
