ALL THE GOSPEL FOR ALL THE WORLD

Greetings from The Director of The Gospel Hour, David B. Greene

— October 2022 —

From the Director

"And this gospel of the kingdom shall be preached in all the world for a witness unto all nations; and then shall the end come." (Matthew 24:14)

Greetings to all of our Gospel Hour family. Before I begin telling you about all that's been happening here at our headquarters in Greenville and about our exciting new products, I want to offer each of you a large "thank you" for all of your prayers and offerings during this past year. At the beginning of each year, I pray to God thanking Him for letting The Gospel Hour continue throughout the past year and I ask for His guidance in continuing this ministry for another year. It is only through His grace and will that we are still able to send out the program and the gospel message in ways that my father never visualized (e.g., internet and e-books). I'm always mindful that we are here only through His grace and that I need to be diligent in using the donations you send in the best and most efficient way possible to spread the message of salvation.

We do have some new products to offer our Gospel Hour family this year. First is a message by my father on CD entitled "Honor Thy Father and Mother". It is a study of Ephesians 6:1-4. If you have not ordered it, I urge you to do so. Also, if you know a family in your neighborhood who is having problems with their children, you should order one to give to that family. It just might put them on the right track to healing.

Another item that I really enjoyed listening to and studying is our new collection of sermons on angels. There are seven messages on three compact disks. I've always been fascinated by how God used angels throughout the Bible and these messages were very enlighten-

Finally, I want to tell you about a new Bible to which we were recently introduced, and all our staff think it will be very useful to all who order it. By "new" I mean, of course, that we have not offered it before, not that it is a new translation. It is the authorized King James Version, but it does not contain the Scofield reference notes. The name of the Bible is the KJV Thinline Large Print Bible. I know many of you, like me, always appreciate it when a larger than standard print is available for us to read. This Bible is available in black and burgundy. We also have this Bible available in a thumb-indexed version, in black and burgundy.

We had several exciting things happen this year. I think the highlight was a visit from a representative of the House of Hope missionary outreach located in Haiti. The House of Hope is primarily focused on helping children, but it also helps many adults. My mother was instrumental in guiding The Gospel Hour to help support this ministry. Jennie Compere, a leader in the House of Hope, shared a presentation with us about the work being done there and we were amazed by the wonderful things they are doing for the underprivileged children, both physically and spiritually. Also, we made a video of an interview I did with Ms. Compere. It will be available

for viewing soon on our website and YouTube channel. Please look for it. If you would like to donate to the House of Hope you can call our office or send a donation to us and designate it for the House of

A long-time supporter of The Gospel Hour was recently honored by his church for his work in witnessing. His favorite booklet to hand out is our soul-winning booklet, "What Does It Mean to Believe on the Lord Jesus Christ". This booklet was written by my mother and her brother, Bennett Collins, who was the one that gave him the booklet at a tent revival many years ago. This gentleman was resistant at first, but he took the booklet home and read it, then accepted the Lord Jesus Christ. The next night he went back to the revival, began witnessing and has been witnessing every day since. In recognition of his faithful service, we sent him one of my father's Bibles that he used when he preached.

As the years go on, we are exploring more and more ways to communicate with you. Just a few are: Facebook—look for new content every Wednesday and Sunday; YouTube; and the Gospel Hour app you can download it from the apple store or the google app store. It is very easy to order products or listen to the program right from the

Recently, we realized how many people send us emails so we thought it would be a wonderful way to communicate with our contributors throughout the year. We also usually include a link to a free article or sermon that we think you will enjoy. Therefore, if you do not already receive correspondence from us by email, but would like to, please call, email or write us and say you would like to be on our list of email recipients. Give us your email address and we will make sure that you receive our next email "letter." Also, if you have a new email address, please let us know so that we can update our records.

Finally, I'm excited to let you know that several of our commentaries by Dr. Greene will be back in print next year, including Matthew Vol. 6 (available 1st quarter of 2023), The Epistles of John, (available 2nd quarter of 2023), and The Gospel of John Vol. 1, 2, 3 (available 3rd quarter of 2023). We are thankful for the sacrificial giving of several of our faithful supporters like you, who have made this possible.

I hope you will take some time to browse through our new Literature Brochure. I'm sure you will find something you can use to enhance your Christian testimony and find that perfect gift for the ones you love as we approach the Christmas season. We have also listed our 2022 radio offers that are available for you to order until Dec. 31,

As you know, we are able to get out God's message only through the support of our listeners. Without your donations, this ministry would have to close. God has provided wonderfully this past year, but we need your prayers and donations to go forward into 2023. I hope you will pray and ask the Lord to guide you and then send in a donation to help us reach lost souls. The Lord will bless you for it and we will thank you. So, until next time, may the Lord bless you and keep you in His will.

— David B. Greene, Director
