Greetings from The Director of The Gospel Hour, David B. Greene

THE GOSPEL HOUR
"All The Gospel, For All The World"
Dr. Oliver B. Greene, Founder

From the Director

Greetings and welcome to The Gospel Hour's 2023 annual newsletter. As always, I first want to thank each one of you who has supported us this past year through your prayers and donations. Do you realize The Gospel Hour has continued as a beacon for Christ for forty-seven years since the passing of my father in 1976?

God has truly had his hand in this ministry.

One of the ways we see God's hand in this ongoing work is through the testimonies we receive from listeners and even some who cannot hear the program but continue to support our efforts. We've been blessed yet again this year with many and I'd like to share two of these with you with permission. Both demonstrate how God can use each of us as a witness through simple encounters in our daily lives by sharing Jesus Christ with others as well as The Gospel Hour broadcast.

The first testimony is from a lady who lives in Missouri. This past July she called our office requesting prayer for God's peace and comfort for her trials. She shared her trials and we prayed with her. Then she went on to share that she lived in an area where she was unable to receive my dad's broadcast in any format due to the remoteness of her home. But, her brother, who lives in Georgia, told her about The Gospel Hour. The way he found out about the program was due to an advertisement he placed in a local paper to sell a shed. The gentleman who came to his home to buy the shed lived 45 minutes from him in another city in Georgia. While examining the shed the man shared how he listened to The Gospel Hour during his mail route. The brother was able to find the program on Radio Station WRJS FM (88.1mhz) in Soperton, Georgia, which was close to his home, and then share the news of the broadcast with his sister (as they grew up in a Christian Home). He even went the extra mile to put the phone up to the radio so his sister could listen to the sermons. This is how 783 miles from her brother, our dear new friend was able to hear my dad preach the Gospel. We were so blessed by God's love for our lady friend, who had prayed for God to give her hope. His wonderful love for her, as well as the love between her and her brother, made it possible for her to be uplifted by the messages and experience how God works to give us peace and hope when we need it and when we ask for it through prayer. And I have to say, this is the first time I've heard of anyone listening to the program over the phone! I end this first testimony in her words from a poem she shared with us:

*In my deepest sorrow, God sent
His messenger over 783 miles
Away from everything to preach
The "Gospel" to me.
For this, I stand in his awe.
No greater love has no one for me
Than the Lord Jesus Christ and
For this, I give God the Praise!*

By JC from Missouri

Our second testimony comes from a gentleman who visited our office this past August. As my wife tells it, a gentleman from Pennsylvania came to visit his friend here in Greenville and when he arrived, he told his friend his priority was to visit The Gospel Hour

for he had accepted Christ in 1993 after finding my dad's program on his radio on his way home from work. Before that time, he had lived a sinful life and about a year before he found The Gospel Hour, he had been in a bad accident that could have taken his life. After that accident, he started questioning his spiritual life and was in search of answers for Eternal Life. A coworker started witnessing to him (another simple encounter in someone's daily life) and soon after that, he heard my dad preaching on the radio. He went on to share that one evening while listening to my dad's sermon he knew it was time for him to ask God for forgiveness. He pulled over to the side of the road, knelt, and asked God for forgiveness, and from that time he has faithfully served the Lord. Now he goes to many organized events and shares the Gospel as a street preacher. My wife enjoyed spending time with this gentleman and his friend and afterward told us how joyful and "fired up" he was about sharing God's saving grace to hopefully keep souls from Hell. I trust you will join us in praying for his endeavors to reach the lost. These are the kinds of testimonies that keep us "fired up" for Christ and help us work hard to keep this ministry not only going—but becoming better and better.

Two very important ways we are doing that is through our website, www.TheGospelHour.org, and our *Gospel Hour* app. There are instructions elsewhere in this newsletter to help you download and use the app. I use the app to listen to the program every morning on my way to work because the program is "streaming," which means you can listen any time of the day that is convenient to you. We always have the current week and the prior week's programs on the app ready to listen.

As you can see, our theme this year is "Reaching God's Children" which is what we do every day with God's help. We are excited to offer the new "King James Version Kids' Bedtime Devotional Bible." It is directed at children, with wonderful, true-to-the-Bible devotional stories for the young ones. We offered this on the radio in May and June and when people ordered, they sometimes ordered more for other children in their family or their church family.

Another new item we are offering this year is a compact disc with a sermon entitled "Assurance of Salvation," which you will find listed in our enclosed brochure. Be sure to browse through our entire brochure that is enclosed. I'm sure you will find something of interest and don't forget, it's not too early to think about that special Christmas gift for someone you love.

Through your gifts, we have been able to begin the reprinting of several of our commentaries and other books. We now have "Matthew, Vol. VI" and "The Epistles of John" back in stock, and the "Gospel of John, Vol. I" should be ready soon. However, the reality of the effects of inflation that we are all suffering has hit home. Due to the rising cost of paper and printing as well as the increased cost of postage, we have found it necessary to increase the suggested donation for our commentaries to \$20 per book and \$15 per book for our perfect bound books "Answering The Call," "From Disgrace To Grace," and "Rightly Dividing the Word." As always, any additional donation you can add when you order will be greatly appreciated.

As we wind down this year and look forward to a new year, I hope you will keep us in your prayers as we endeavor to do even more for the sake of Christ. Until next time may the Lord bless you and keep you in His will.
